Common Problems

The NUMBER 1 REASON ORDERS ARE NOT PLACED is that they are left in the shopping cart. Be sure to proceed to checkout and process your payment. The system does NOT process orders that are left or changed in the shopping cart and your student(s) will not be included in the lunch service for that day. If you do not receive an email confirmation, be sure to go back and check out.

EMAIL addresses are essential for us to send you confirmations, ordering reminders, password resets and other important communication.

ADD an email address to your profile and **ADD** noreply@orderlunches.com to your **email safe list**.

Questions:

We strive to make sure the kids are enjoying the program. If you have any questions please email kidslunch@rosereismancatering.com or call 416-467-7758.

Thank you for participating in our school lunch program!
